Annual Report

Angel The Future School aims to be the Center of Excellence in Education using the state-of-the-art technology, where the seeds of the all-round development of the children are sown at an early age.

This report is comprised of the achievements made during the year gone by and at the same time set the path for greater accomplishments in the years to come.

Staff :

The most valuable resource that any school can have is its staff.

The school collectively has an enthusiastic and dedicated team of 17 Teachers. In addition, we have Non-Teaching and Support staff. Their coordination with each other is what enables the school to function smoothly and grow with new perspectives.

Innovation is the change that unlocks new value that leads to betterment and success.

The School continues to strive towards Innovation and the latest practices in the field of Pedagogy are being continuously incorporated.

Environment Education:

It is a part of the day to day lessons being taught and the aspect is stressed at regular intervals in the Assemblies.

The School has a provision of Rain water harvesting as well as other facilities as enumerated below towards its concern for environmental protection:

- (a) The School is using energy saving Electrical equipment's.
- (b) The school has a green look with a lot of plantation all around.
- (c) The School also uses Solar energy to its best.

Parents' and Teachers' Association:

A General Body Meeting of parents is held on a regular basis and new members of the PTA were nominated for the year 2024-25.

Since then PTA meetings have been arranged periodically, the PTA members of our school are closely involved in most academic activities. We thank and congratulate them for their support and co-operation through the years.

Academic Activities:

Competitions and academic activities that go beyond the text books and the classrooms encourage and foster a healthy and competitive spirit and effective communication skills in the students. The activities are conducted at classroom level, school level and inter-house level. Some of these events are handwriting, essay, speech and slogan writing competitions. Competitions are also held for Poetry recitation, story writing and narration, debate, GK and Maths quiz competitions. Prizes are awarded during school assembly.

Reading Day was made memorable by a book exhibition in the school library. In each class students brought their own books or were given books or magazines to read with the aim to encourage and inculcate the habit of reading.

The school subscribes to various educational and entertainment magazines and periodicals which are available for the students to borrow and read.

Art Exhibition is conducted every year which draws a lot of attractions and students willingly contribute to its success.

Value based education is given for self-development and personality development. This is done with the aim to inculcate in students values like honesty, gratitude, forgiveness, kindness etc. In addition, throughout the school year, on every working day, assemblies are conducted on a wide variety of value based themes and topics.

Training, Seminars, Orientation and Counseling:

Each academic year, trainings, seminars and orientation programmes are conducted for teachers and students with a dual focus to improve and effectively implement innovative ideas in teaching-learning practices as well as to take the students beyond their current level of learning.

A real teacher is one who realizes that he/she must always be a learner.

In an effort to better themselves, a considerable number of our teachers have acquired degrees in B.Ed, D.E.Ld as well as other professional degrees in their pursuit of knowledge.

Co-curricular and Extracurricular activities:

These are an essential part of the life of an educational institution as they strengthen the classroom learning as well as develop the personality of the child and harness the in-depth potential of students. The activities are conducted throughout the year.

Some of these events are Fancy Dress Competition, card making, Best out of waste, poster making, chart making as well as dance competitions. Food festivals were also conducted in the Winter carnival. Participation by the students and teachers in these events was very commendable.

Games and Sports Competitions:

When students are physically fit, they will achieve more academically. Games and sports develop a sense of friendliness among the children and also build their team spirit. It helps children to develop mental and physical toughness. Bearing this in mind, the school provides ample opportunities for students to perform regular exercises and yoga, and to play and prove their mettle in various sports and games. Mostly students have participated in Annual Sports Meet.

Celebrations:

To foster national integration, international understanding, religious and cultural awareness and tolerance, various national, religious and cultural festivals and occasions were celebrated with due pomp and grandeur.

- **National Festivals:** Independence Day, Republic Day, and Gandhi Jayanti were celebrated with due reverence for our motherland with patriotic songs and dances.
- **School Celebrations :** Investiture Ceremony was celebrated in a befitting manner and responsibilities were given to the elected students to develop the sense of Leadership

- **Religious Festivals** : All religious festivals like Holi, Diwali, Ganeshotsav, Eid, Parsi New Year, Buddha Pornima, Easter, Guru Nanak Jayanti etc are celebrated throughout the year with due respect to the religious sentiments of our students.
- **Other Celebrations** : The school gives due recognition to significant global events and celebrate these days. Some of these events are International Women's day, International Workers Day, Hindi Divas, Yoga Day, World Peace Day, Road Safety Day, Save our Planet Day, Girl Child Day, Science Exhibition etc.

Conclusion:

We believe that every Year brings changes with God Almighty's protection. Even though our students engaged themselves in various co-curricular and life skill activities, top priority is given to academic performance. Remedial teaching, extra classes, revisions, unit tests, class tests, assignments, project work, end of term exams have kept them busy throughout the year.

Thank You
